In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice will be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within thirty days after the date of sale or within fifteen days after the date of the notice of confirmation of the sale whichever is later. In case of purchases above Rs. 1,000 in value, the purchaser shall be permitted to pay of the balance in instalments of not less than Rs. 1,000 provided the full value is paid, not later than the 30th June 1923. The monies shall be paid into such treasury as the District Forest Officer may direct, within the time specified.

8. If the amount is not fully paid for by the purchaser before the 30th June 1923, the initial deposit as well as the other monies already paid in, shall be forfeited to Government and all or any portion of the timber not fully paid for, shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 6 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, including the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber, until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible and in no case should it be allowed to remain longer than 90 days after the 30th June 1923. Timber not removed after purchase, will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale of the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

C. ABDUL JABBAR,

District Forest Officer.

ENGINEERING DEPARTMENT.

WATER-SUPPLY DIVISION.

Notice dated 7th May 1923.

1. Notice is hereby given that separate sealed tenders will be received by the undersigned up to 12 noon Local time of 1st June 1923, for the supply of articles as noted in a statement required for use of this division for the period, 1st July 1923 to 30th June 1924.

2. An approximate estimate of quantities required is given against each item under each group in the list, but these quantities are not guaranteed. Any quantity 20 per cent more than the tendered articles shall be supplied at the tendered rates at any date between 1st July 1923 to 30th June 1924.

3. Parties are at liberty to tender for one or as many whole groups as they desire, but there should be a separate tender for each group, but competitors are not allowed either to split up the groups or tender for portions of groups or include more than one group in a tender.

4. Each tender should indicate the group number to which it relates in the list.

5. The tender for each group should be accompanied either in cash or currency notes by a deposit of earnest money fixed for that group as noted in para 6 and should be submitted in a cover sealed and superscribed "Tender for the supply of materials Group No. for the use of the Water-Supply Division for the period from 1st July 1923 to 30th June 1924." Rates should be tendered for the same unit as called for, *i.e.*, when rate for pipe is required per R.ft. rate per Cwt. (weight) should not be given when rate for "Coal Tar" per lb is required rate for keg should not be given; if rate for wood screw is required per gross, rate per lb and *vice versa* should not be tendered. No tender failing to fulfil any of the above conditions will receive attention.

6. The earnest money required for the several groups of articles in the list are :—

		Rs. a. p.
Group No. 1.	Painters stores	.. 25 0 0
Do 2.	Petty tools	.. 25 0 0
Do 3.	Miscellaneous	..150 0 0
Do 4.	Electric materials	.. 25 0 0

7. The final acceptance of the tender will rest with the Chief Engineer of Mysore, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

8. The names of the successful competitors will be published on the notice board in the Executive Engineer's Office in usual course on receipt of orders accepting tenders. The group or groups for which a party's tender or tenders have been accepted will also be noted against his name on the notice board. No enquiries of whatever nature regarding the tenders will receive any reply.

9. The successful competitor or competitors will be required within eight days of the acceptance of his tender or tenders to execute a contract bond for the group or groups allotted to him, in default of which his tender or tenders will be considered cancelled and his earnest money will be forfeited.

10. On acceptance of the tenders, the earnest moneys on rejected tender or tenders will be returned to the parties concerned. The earnest moneys for the tender or tenders of the successful competitor or competitors will be returned to those concerned only when the supply is made satisfactorily throughout the entire period for which the contract is to run.

11. The successful competitor shall guarantee to maintain at Bangalore at stock 50 per cent of the materials enumerated in the group or groups allotted to him in the list and shall comply with all indents made on him within three days of the order sent to him and follow the same procedure throughout up to 30th June 1924. Any further delay than three days will entail a penalty of Rs. 2 per day until the supply is made satisfactorily. Such penalty will strictly be enforced without any notice to the effect.

12. The rate tendered and accepted for each item shall include cost of delivery at the "Stores" attached to the Water-Supply Division at Bangalore and shall be binding on the supplier for the period from 1st July 1923 to 30th June 1924, to irrespective of all fluctuations in the market during the period.

13. Materials supplied by the party but found not to be up to standard in quality or in any respect will be rejected and the supplier shall remove and replace the same with fresh articles then and there at his own cost.

14. Should the successful competitor fail to supply the required articles or replace the rejected ones in time, the Executive Engineer will make other arrangements to procure them at the risk of the party, in case of loss to Government in so doing, the excess above the approved rate, together with the penalty for the default (*vide* para 11 *supra*) will be recovered.

15. Weights, etc., of materials supplied, as sealed by the Chief Store-keeper on suppliers' invoices will be accepted as final and no representation by the supplier of his weights, etc., being correct will be considered and supplies made to the "Stores" unaccompanied by invoices will not receive attention and will be there at the supplier's risk.

16. The supplier is bound to supply any of the materials direct to any Pumping Station outside Bangalore, when so advised by the undersigned, in which case *bona fide* packing charges, conveyance charges including railway freight from Bangalore up to the Pumping Station will be allowed to him. In all such cases the supplier is bound to send the articles always *Freight paid* and post the railway receipt to the consignee forthwith to avoid warfage and demurrage charges. Any such warfage or demurrage charges, resulting from inaccurate, incomplete or illegible addresses of the consignees or from the too late posting of the Railway receipts must be borne by the supplier; and such charges shall be deducted from the amount of the bill concerned without intimation.

17. Invoices should accompany the articles to the consignee and a copy thereof to this office.

18 Bills should be sent to this office and not to the consignee direct.

Notice dated 7th May 1923.

Notice is here by given that sealed tenders will be received at the office of the Executive Engineer, Water Supply Division, Bangalore, up to 12 noon of 4th June 1923, tenders presented after the due time will not be considered.

2. Tenders should be submitted in the units noted below.
Group No. 1. for C. I. pipes, etc.
Group No. 2, for galvanised pipes and fittings, etc.

3. Each tender must be accompanied by a deposit of Rs. 1,800 for group No. 1, and Rs. 350 for Group 2, in cash or currency notes or Government of India and Mysore Government Loan Bonds as earnest money and superscribed, "Tender for the supply of C. I.' pipes and specials, etc. (Group No. 1, and Group No. 2), for galvanised pipes and fittings, etc., for water-supply to Visveswarapuram Extension, Bangalore City."

4. The rate tendered should include cost of delivery at stores.

5. Each tender should state the period required to supply the materials, etc.

6. The final acceptance of any tender will rest with the Chief Engineer for Irrigation, in Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

7. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

8. The name of the successful conpetitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of one of the tenders the earnest money on rejected tenders will be returned.

10. The tenderer should state in the tender, the C. I. pipes offered are English, continental or Indian manufacture.

11. The pipes should be coated with Dr. Augus Smith's Solution.

12. List of materials required are geven below:—

S. SRINIVASA AIYAR,
Executive Engineer, Water-Supply Division.

MYSORE DIVISION.

Notification dated 9th March 1923.

It is hereby notified for the information of the public that, the following unservicable, articles belonging to the Mysore Division of the Mysore Public Works Department will be sold by public auction on Saturday the 26th May 1923, the sale commencing at 3 P.M. in the Divisional stores.

Terms and conditions of auction sale :—

(*a*) The articles will be knocked down to the highest bidder and in the event of any dispute arising between two or more bidders at the same price, the lot or lots shall be put up again and resold.

(*b*) All articles purchased shall be at the risk of the purchasers thereof from time of sale.

(*c*) All lots shall be removed with faults and errors of all description, as sold.

(*d*) Cash shall be paid in full for lot or lots purchased by bidders before delivery but the lot or lots shall not be removed from the place of auction until after the close of the sale.

(*e*) In case of default of payment of the whole or any portion of the purchase amount by any bidder, the articles shall be resold and the bidder shall be liable to make good to Government, any loss incurred thereby.

(*f*) A deposit of 10 per cent of the amount tendered by the successful bidder shall be recovered immediately the lots are knocked down in his favour, and such deposits shall be treated as forfeited to Government in case of any default to pay the purchase money within three days from the date of sale. On resale the bidder shall be liable to make good any loss incurred thereby, without having the right to participate in any profits that may be realised.

Survey statement of unserviceable articles proposed to be auctioned.
